ECSTASY:hearts

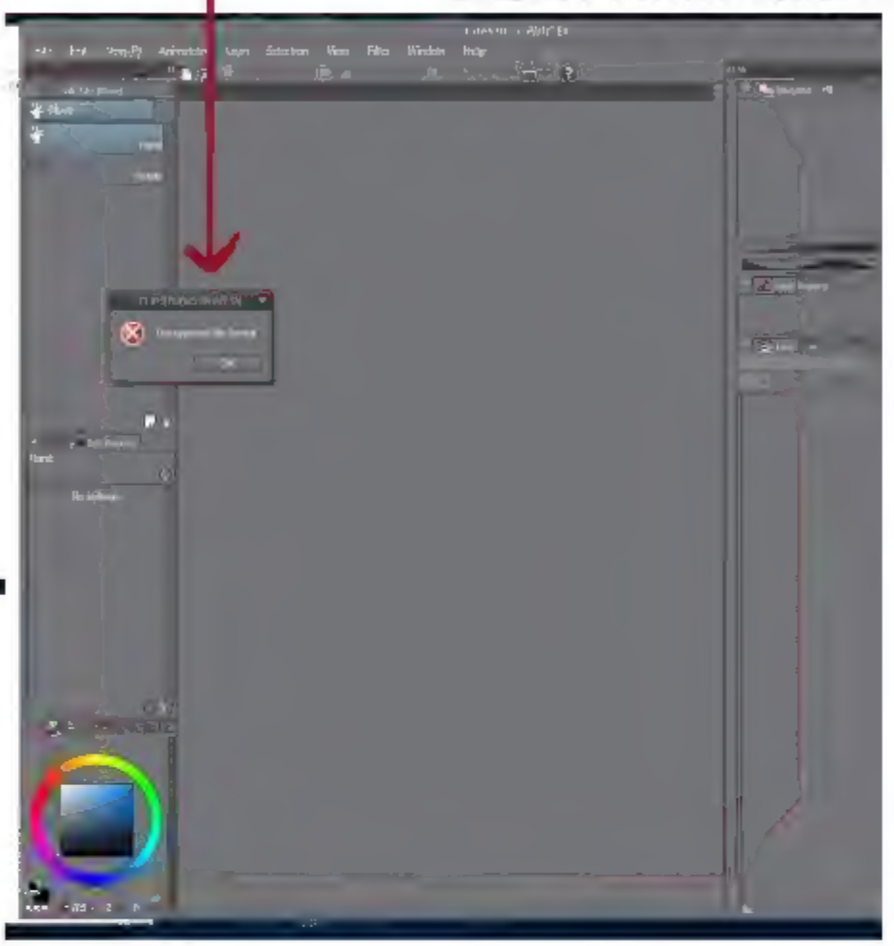
No update for this week

ECSTASY HEARTS
WILL RESUME NEXT THURSDAY
WITH A "POSSIBLE" DOUBLE
CHAPTER UPDATE.

" I'M REALLY SORRY ABOUT THIS.
THERE HAD BEEN A PROBLEM WITH
MY COMPUTER SOFTWARE OR HARDWARE
IN WHICH I HAVE TO REFORMAT MY HARD DRIVE."

I FREQUENTLY EXPERIENCE THIS KIND OF ISSUE.

A CORRUPTED FILE.
"UNSUPPORTED FILE FORMAT"



THE PLATFORM CRASHES AND AFTER A REBOOT THE FILES CANNOT BE ACCESSED ANYMORE WHICH IS TRULY INCONVENIENT AND FRUSTRATING.

" I HAVE TO RE-DO EVERY SINGLE PANEL I LOST SINCE THERE'S NO WAY TO RECOVER THEM!!" :(

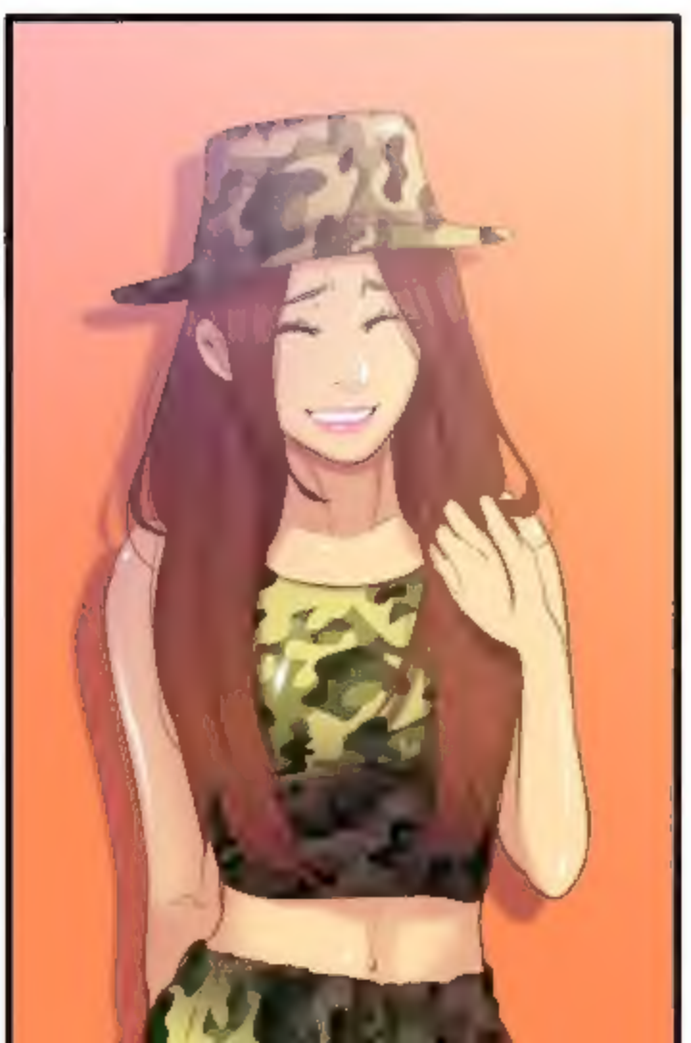
THERE ARE BACK-UP DOCUMENTS ALONG WITH SOFTWARE'S FEATURES BUT MOST OF THE SAVES ARE JUST THE "INITIAL" ONES. SOMETIMES, IT CAN ONLY SAVE FEW SKETCHES OR JUST THE BORDERS.

I HAD MY PC CHECKED AND
IT WAS SUGGESTED FOR A FULL HARD DRIVE REFORMAT.

THERE WERE UNDETECTABLE MALWARES/VIRUS
THAT CAUSED MY PC TO CRASH.
IT TOOK A DAY OR TWO TO COMPLETE BACKING-UP
THE FILES AS WELL AS THE REFORMATTING PROCESS.

I KNEW ALL ALONG MY PC HAD ISSUES
AND HAS TO BE CHECKED BUT
I WAS PLANNING ON HAVING IT DONE AFTER
THE SEASON FINALE OF ECSTASY HEARTS.

"YUP! THE SEASON FINALE IS DRAWING NEAR!
A FEW MORE CHAPTERS LEFT."



" WITH THAT, I AM PLANNING
TO LAY DOWN THE BEST POSSIBLE
CLIFFHANGER I COULD." XD

" AND THE MOST DRAMATIC,
DREAMY-ROMANTIC
SCENE I CAN PAINT." :P

" TO ACCOMPLISH MY GOAL FOR
THE SEASON FINALE,
I'VE DECIDED TO CHANGE MY
GRAPHICS TABLET.
FROM THE CHEAPEST TABLET
I'VE USED OVER THE PAST YEAR,
I CAN NOW FINALLY SWITCH TO
A BETTER AND MORE CAPABLE ONE."

A BETTER AND MORE CAPABLE ONE.

" ALL THANKS TO LINE WEBTOON "

" FOR SOME WHO SENT ME MESSAGES CONCERNING 'BOUT
MY HEALTH, MY MEDICINE MAINTAINANCE WILL
END BY NEXT MONTH WHICH IS A GOOD NEWS.
THANK YOU, ALWAYS, FOR THE SUPPORT."

" STAY TUNED, FROM HERE ON OUT
UP TO THE SEASON FINALE!"
